

GRAND RAPIDS PUBLIC MUSEUM

Be a part of history in the making!

Join the Grand Rapids Public Museum's **watershed team** - a team of high school students learning about the Grand River Watershed and sharing information with their community.

The team will meet 2 times each month to discuss important issues and participate in hands-on watershed activities. Team members will learn about the watershed through different community events, such as the Grand River Water Festival (music festival) and a day long kayaking trip!

Applications are due April 2, 2016.

Apply Today!
