Sebewaing County Park Shore Fishing Access GLFT Project #2007.924

The Huron County Road Commission in cooperation with the Great Lake Fishery Trust has completed the Sebewaing County Park Shore Fishing Access Project. This project included a pedestrian bridge 8' x 100' long that provides access to a 12 acre island and a floating fishing platform measuring 10' x 12' with a 30' approach ramp that is handicap accessible.

This project is located in the Sebewaing County Park at the end of Union Street in the Village of Sebewaing. Anglers can access the Sebewaing County Park year round for fishing. The Park features 54 modern camp sites, 10 rustic campsites, restrooms, and a senior citizen meal site. The campground is open from May 1st. to October 15th. Anglers can also stay at our fishing lodge which features two bedrooms/ two bathrooms, kitchen and living area which overlooks Saginaw Bay.

Anglers can expect to catch perch in the Spring and Fall seasons and pan fish in the Summer time. Walleye fishing is good at night all along the Sebewaing River. The new pedestrian foot bridge provides shoreline fishing along 1000 feet of the Sebewaing River.

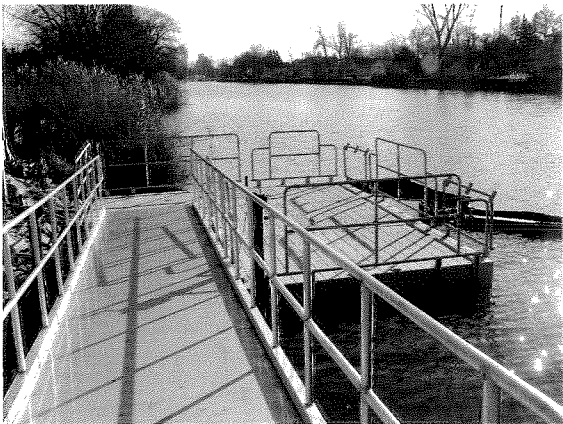

Sincerely,

Steven Romzek
Facilities Director
Huron County Road Commission
